**Election Results**

Election night results are unofficial. They do not include votes from persons whose voting rights are challenged on Election Day and that are subsequently determined to have been valid. They also do not include any absentee ballots that were postmarked prior to Election Day and that are physically received by the County Auditor's Office between Election Day and the official canvass.

The official canvass of the election is scheduled for 10:00 a.m. on Tuesday March 11th, and will combine the election night results with any challenged and/or late absentee ballots that are determined to have been valid and timely.
