Nomination forms are available at the office of each school board secretary, the county auditor's office, and this website. Completed nomination papers must be filed with the school board secretary beginning Monday, July 10th & ending Thursday, August 3rd.

The numbers of signatures above are the minimum number required to be listed as a candidate on the ballot. The county auditor urges each candidate for elective office to get more than the minimum number of required signatures in order to avoid a potential challenge to the legal sufficiency of the candidate's nomination papers.
