## **VARIANCE CRITERIA SUPPLEMENTAL INFORMATION**

Cerro Gordo County Zoning Board of Adjustment
[For completion by <u>Variance Applicants Only</u>]

This attachment is intended to supplement the Appeal to the Board of Adjustment Application for requests for variances. This attachment shall be submitted as a part of and attached to the Appeal Application and serve to enable the Board to make fair and equitable decisions. Failure to complete this form in its entirety may result in postponing the request until adequate information is submitted.

The Board of Adjustment shall authorize upon appeal, in specific cases, such variance from the terms of the Ordinance as will not be contrary to the public interest, where owing to special conditions a literal enforcement of the provisions of the Ordinance will result in unnecessary hardship, and so that the spirit of the Ordinance shall be observed and substantial justice done.

The Applicant shall be held responsible to provide adequate evidence that the literal enforcement of the Ordinance will result in unnecessary hardship. "Hardship" as used in connection with the granting of a variance means the property in question cannot be put to a reasonable use if used under the conditions allowed by the provisions of the Ordinance, the plight of the landowner is due to circumstances unique to his property not created by the landowner; and the variance, if granted, will not alter the essential character of the locality.

The Board shall ensure that their decision shall not be contrary to the public interest, that the spirit of the Ordinance shall be observed, and substantial justice done.

Applicant(s) COUNTENSIDE BUILDERS LLC
Type of Variance Requested PROPERTY SETBACKS FOR A BUTLDING
1. The land in question cannot yield a reasonable use for the following reasons:
WORKING WITH EXISTING BUILDING GRADE TO THE WEST
IS A STEEP BANK TO THE POND, CONSTRAINS FROM THE
LOCATION OF EXESTING BUILDING.
2. What is unique about this property compared to other properties in the vicinity?
IT IS SIMILAR TO NETCHBORENS PROPERTIES
