IN RE:	APPLICATION:	FINAL PLAT
	APPLICANT:	MAULSBY MARINE PROPERTIES LLC
	PLAT:	EVERGREEN COVE, CERRO GORDO COUNTY, IOWA
	PROPERTY:	LOTS 1, 2, 3, EVERGREEN COVE CERRO GORDO COUNTY, IOWA

John:

I have enclosed:

1. Completed Application Form;
2. The original and 15 copies of the Final Plat;
3. One copy of the Dedication of Plat;
4. Completed Final Plat Checklist;
5. Check payable to the Cerro Gordo County in the amount of \$200.00;
6. One copy of Declaration of Covenants;

February 1, 2023

Page 2

7. One copy of the Shared Well Agreement;
8. One copy of the Utility Easement;
9. Fifteen copies of the Drainage Report; and
10. One copy of the elevations of the proposed improvements.

Please consider this letter a request to waive the Preliminary Plat requirements. This Plat is a minor subdivision containing three lots. There are no public improvements.

We have included the well and utility easements to show how the new lots will be served for water and other utilities.

We would appreciate it if you would place this on the next available Planning and Zoning Commission Meeting Agenda.

We would appreciate a copy of your Staff Report regarding the Application. We would also appreciate a copy of the Agenda for the Planning and Zoning Commission Meeting.

As the property is within two miles of the city limits of both Clear Lake and Ventura, we have submitted the Final Plat to each City for review and approval.

Please let us know if you need anything further.

Very truly yours,

Jacquelyn K. Arthur

**DEDICATION OF PLAT
OF
EVERGREEN COVE,
CERRO GORDO COUNTY, IOWA**

STATE OF IOWA, CERRO GORDO COUNTY) ss:

Maulsby Marine Properties LLC, an Iowa limited liability company ("Developer"), the owner of the real estate described on the Plat attached to this Dedication, acknowledges it has caused said real estate to be surveyed and platted for the purpose of establishing and creating a Subdivision in Cerro Gordo County, Iowa, to be known as "**EVERGREEN COVE, CERRO GORDO COUNTY, IOWA.**" The Plat is made with the full and free consent and in accordance with the wishes and desires of Developer.

The real estate is within two miles of the City limits of Clear Lake, Iowa, and Ventura, Iowa. There is attached the Resolution approving the Plat:

- i. by the Board of Supervisors of Cerro Gordo County;
- ii. by the City Council of Clear Lake; and
- iii. by the City Council of Ventura.

The Lots contained within the Subdivision are to be used for only those purposes allowed or permitted under the Zoning Ordinances of the applicable governing authority, this

Dedication, and the Declaration of Covenants Regarding Evergreen Cove to be filed simultaneously with this Dedication (the "Declaration").

Easement is reserved and reservation is made:

- A. in favor of Cerro Gordo County for the free and uninhibited access to all private and common areas by the fire, police and other public safety vehicles and personnel for the customary performance of their respective duties and responsibilities; and
- B. in, on and through the lots as shown on the Final Plat for the construction, placing, repair and maintenance of all necessary overhead, underground and surface utilities, public and private, including the right to conduct drainage and to trim on and over the areas of such easements.
- C. in, on and through Lot 1 and Lot 2 as shown on the attached Plat for ingress and egress purposes in favor of Lot 1, Lot 2 and Lot 3.
- D. in, on and through Lot 1, Lot 2 and Lot 3 as shown on the attached Plat for drainage and storm water detention.

Evergreen Cove Owners Association (the "Association") will be obligated to maintain, repair, replace, and improve the storm water detention areas, outlet facilities, surface drainage areas and the related facilities and such obligations are covenants running with the land.

If the Association fails to comply with its obligation to maintain, repair, replace, and improve, Cerro Gordo County, Iowa may perform such duties and thereafter assess the costs against the Association and against its members and thereby create liens against Lots.

- E. in, on and through the Lots where there exist

tile lines serving public and private drainage tiles. Any existing tile line disturbed by construction activities (which includes construction of any dwelling) shall be repaired and/or relocated and replaced at the expense of the Lot owner causing the disturbance.

The easements are permanent and perpetual. The easements set forth at A and B above are dedicated to the public use.

NOTICE:

Owners of the Lots may be required by the United States Postal Service to install a cluster mail box at a location approved by the United States Postal Service at owners' expense.

The following conditions, restrictions, covenants, agreements and reservations (collectively referred to as "Restrictions") are established and created as binding upon and a charge against each Lot in the Subdivision and are for the benefit of each present and future owner of any Lot in the Subdivision and shall constitute covenants running with the land.

The Restrictions shall remain in full force and effect for a term of 21 years from the date this Dedication is recorded. Any person described in Iowa Code Section 614.24 may file a verified claim with the Cerro Gordo County Recorder within said 21 years extending for a further period of 21 years the time within which the restrictions shall be in full force and effect.

The restrictions may be amended by a written instrument filed with the County Recorder and bearing the signatures of no less than two-thirds (2/3rds) of the then Lot owners.

The Restrictions are:

1. All construction, including accessory structures, shall be of a design, quality and style which enhances and complements the subdivision.
2. Any improvement to a Lot must be completed within twelve (12) months of commencement of construction. Within sixty (60) days of completion of construction

of a residential dwelling on a Lot, the Lot shall be fully sodded or seeded with grass.

3. The building lines shall be as required by the Cerro Gordo County Zoning Ordinances or as stated on the Plat.
4. Each Lot and the building(s) erected thereon shall at all times be maintained in a neat condition and appearance commensurate with the character of the Subdivision.
5. No livestock shall be kept or permitted on any Lot. Dogs, cats, and household pets are permitted but no animals shall be permitted to run loose.
6. No garbage, garbage cans, ashes, refuse, or trash receptacles shall be allowed on any Lot exposed to view other than on the day or days of collection. No outside incinerator shall be permitted. No burning of rubbish shall be permitted.
7. No obnoxious or offensive trade shall be conducted upon any Lot nor shall anything be done thereon which may be or become an annoyance or a nuisance to the neighborhood.
8. Each Lot shall be suitably landscaped to promote the aesthetics of the area.
9. Permanent outside storage of trailers, campers, boats, mobile homes, motor homes, and recreational vehicles is prohibited. For purposes hereof, "Permanent" means twenty-one (21) days or more whether continuous or not, in any one twelve (12) month period.
10. Any motor vehicle placed or parked outdoors must be operative and capable of self-locomotion.
11. In the event an owner of any Lot, or his or her or its assigns, shall violate or attempt to violate any of the Restrictions, it shall be lawful for any other person or persons owning any Lot in the Subdivision or for Developer to prosecute any proceeding at law or in equity against the person or persons violating or

attempting to violate such restrictions and either prevent them from so doing or recover damages for such violations.

12. The owner of each Lot as defined in the Declaration is automatically a member of Evergreen Cove Owners Association. The Association shall be vested with, but not limited to, the following authorities and powers:
 - A. To interpret any restriction in this Dedication when a reasonable question arises as to its meaning or application.
 - B. To suggest anything for the betterment, welfare and improvement of the Subdivision.
 - C. To promote the health, safety and welfare of the residents of the Subdivision.
 - D. To fix, levy, collect and enforce payment by any lawful means, of charges and assessments against Lot owners pursuant to the terms of the Declaration.
 - E. To exercise all of the powers and privileges and perform all of the duties and obligations of the Association as set forth in the Declaration, and as the same may be amended from time to time, including the power and authority to adopt, implement and enforce rules and regulations regarding the use of any common area.
 - F. To have and exercise any and all powers, rights and privileges which an Iowa nonprofit corporation may now or hereafter have or exercise.
 - G. To accept from Developer, when and if made, a conveyance of any properties as may be made subject to the Declaration as a common area.
 - I. To maintain all common facilities such as

but not limited to the shared driveway,
drainage easements and storm water detention
areas.

13. No dirt may be removed from any Lot without the prior consent of Developer. If a Lot owner believes excess dirt exists, then Developer shall have the right to direct the Lot owner to stockpile the dirt, or selected portions of such dirt, for Developer's use on another Lot or on a parcel adjacent to the Subdivision. Lot owners shall be responsible for removal of any excess dirt not used by Developer.
14. Invalidation of any one of these restrictions by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

Captions and headings within this Dedication are for convenience and shall not be construed to affect interpretation.

This Dedication is executed by Developer on a separate signature page which also contains the notary acknowledgment.

DECLARATION OF COVENANTS REGARDING EVERGREEN COVE

Maulsby Marine Properties LLC, an Iowa limited liability company, ("Developer") is the owner of the following described real estate:

**LOTS ONE (1) THROUGH THREE (3), INCLUSIVE, IN EVERGREEN
COVE, CERRO GORDO COUNTY, IOWA.**

All properties shall be held, sold and conveyed subject to the following covenants, conditions, restrictions, reservations, easements, liens, and charges (collectively referred to as "covenants") all of which are for the purpose of enhancing and protecting the use, value, desirability and attractiveness of the properties.

These covenants shall run with the land and shall be binding on all parties having or acquiring any right, title or interest in the properties and shall inure to the benefit of each owner.

ARTICLE I. DEFINITIONS

Section 1. "Association" refers to Evergreen Cove Owners Association incorporated under the Revised Iowa Nonprofit Corporation Act.

Section 2. "Properties" refers to each parcel of the above-described real estate and such additional real estate as may hereafter be submitted to the jurisdiction of the Association or subjected to this Declaration by Developer.

Section 3. "Lot" refers to any parcel of land shown upon a recorded Final Plat of the Properties with the exception of any parcel excluded as provided in the document subjecting the Properties to this Declaration.

If a Lot is added to an adjacent Lot, then the two together shall be considered one Lot for purposes of this Declaration. If a Lot is divided into smaller parcels which parcels are not added to adjacent parcels, each resulting parcel shall be a Lot for purposes of this Declaration.

If a multi-unit structure is constructed upon one or more Lots, then each apartment or unit capable of separate ownership within such structure shall be entitled to one vote and the term "Lot" shall be construed to include each unit. By way of illustration, if a Lot is submitted to the condominium form of ownership with four (4) units in the condominium regime, each of the four (4) units shall be entitled to one vote.

Section 4. "Member" refers to every person or entity who holds membership in the Association.

Section 5. "Common Areas" refer to all property subject to easements in favor of the Association and/or Lot owners for the common use and enjoyment of the members of the Association. The term "Common Areas" shall include the ingress/egress easement area shown on the final plat, the drainage easement area shown on the final plat, as well as the Lot owners' interest in the shared driveway defined in the driveway easement dated June 2, 2021, and filed August 2, 2021, as Document No. 2021-5796, and the Lot owners' interest in the shared well agreement dated _____, 2023, and filed _____, 2023, as Document No. 2023-_____, as well as any right-of-way, easement or other area over or through which exists benefits or rights in favor of the Association and/or Lot owners.

Section 6. "Owner" refers to the record owner, whether one or more persons or entities, of fee simple title to any Lot and includes contract buyers but excludes contract sellers and those having an interest merely as security for the performance of any

obligation.

Section 7. "Developer" refers to Maulsby Marine Properties LLC and its successors and assigns if such successors or assigns acquire a majority of the undeveloped Lots for the purpose of development.

ARTICLE II. ANNEXATION OF ADDITIONAL PROPERTY

Developer and its successors and assigns may add additional land to the Properties by the filing of a supplemental Declaration and no consent or approval of the Association or its members shall be required.

ARTICLE III. MEMBERSHIP

Every record owner of a Lot is a member of the Association. No owner of a Lot shall have more than one membership. Membership is appurtenant to and may not be separated from ownership of any Lot. Ownership of a Lot is the sole qualification for membership.

ARTICLE IV. VOTING RIGHTS

The Association shall have one class of voting membership, each member of which shall be entitled to one vote for each Lot in which there is held the interests required for membership. Each Lot owner, whether one or more persons or entities, shall be entitled to only one vote. In no event shall more than one vote be cast with respect to any Lot.

ARTICLE V. PROPERTY RIGHTS

Section 1. Every Member shall have a right and easement of enjoyment in and to the common areas. Such easement shall be permanent and perpetual and shall be appurtenant to and shall pass with the title to every Lot, subject to the Association's right to adopt reasonable rules and regulations and subject to the Association's duties and powers regarding matters such as, but not limited to:

- (a) Maintenance, repair, improvement, replacement enlargement of the storm water detention cell serving the Properties.

- (b) Maintenance, repair, improvement, replacement enlargement of any private storm sewer line serving the Properties.
- (c) Maintenance, repair, improvement, resurfacing, providing drainage for any shared driveways serving the Properties.
- (d) Speed, traffic, and parking on shared private roads serving the Properties.

Included within these duties and powers is the authority of the Association to limit or restrict parking to one side or the other of a shared private road and to provide for the installation of speed bumps or other traffic control devices, including signage.

- (e) Determination of the location, size, nature, type, color, and other features of mailboxes and mailbox posts, whether shared or individual.
- (f) Maintenance, repair, improvement, replacement and expenses associated with the shared well serving the Properties.

Section 2. The Association shall have the right to suspend a member's right to vote for any period during which any assessment against the member's Lot remains unpaid; and for a period not to exceed thirty (30) days for any infraction of its published rules and regulations.

ARTICLE VI. MAINTENANCE ASSESSMENTS

Section 1. Each owner of any Lot is deemed to covenant and agree to pay to the Association:

- (a) annual or periodic assessments or charges, and
- (b) special assessments for capital improvements or repair, such assessments to be fixed, levied, and collected from time to time as hereafter provided.

Association expenses shall be allocated among the Lots on a equal basis.

The annual, periodic and special assessments, together with such interest as may be due thereon and costs of collection thereof, as hereafter provided, shall be a charge on the Lots and shall be a continuing lien upon the Lot against which each such assessment is paid. Each such assessment, together with such interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person, persons or entity who was the owner of a Lot at the time when the assessment became due.

Section 2. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in the Properties and for the improvement, repair and maintenance of the common areas and facilities. The purposes for which such assessments may be levied shall include but are not limited to the construction, operation and maintenance, repair, enlargement and replacement of any private storm sewer line, the storm water detention cell, open drainage ways, the private driveways serving the Lots and providing access to South Shore Drive, cluster mailboxes, subdivision signage and other structures, improvements and amenities, and for taxes and special assessments upon the common areas which may be incurred or imposed by the County, or other governmental authorities, and to provide adequate insurance coverage of any and all types and amounts deemed necessary by the Association and to provide such reserves as may be deemed necessary in order to accomplish the objects and purposes of the Association.

Section 3. The annual or periodic assessments with respect to each Lot shall be determined by the Board of Directors of the Association. On or before the first day of January in each year the Board shall determine the annual assessment for the ensuing year running from January 1 through December 31. Annual assessments shall be payable monthly (or in such other installments as determined by the Association) on or before the 10th day of each month, but shall become a lien as of January 1 of each year. Written notice of the annual assessment shall be sent to every owner immediately following the assessment determination. The Board shall also determine as of January 1, of each year whether or not a deficiency exists with respect to a prior annual assessment and shall bill the owners of each Lot prorata for any such deficiency with the January 1, monthly bill. Should the Board deem a surplus to exist, a credit shall

be given to each owner on a prorata basis, to be credited first against the January 1 payment and next to payments due each succeeding month. A failure to send a written notice does not release an owner's obligation nor does it discharge the lien.

Section 4. In addition to the annual or periodic assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the costs of any construction or reconstruction, unexpected repair or replacement of a capital improvement or repair or maintenance to common areas, provided that any such special assessment shall have the assent of a majority of the votes of the members.

Section 5. Except as provided in the sentences that follow, both annual and special assessments must be fixed for all Lots and may be collected on a monthly basis (or in such other installments as determined by the Association):

- (a) until a Lot is improved with a structure capable of occupancy per the Cerro Gordo County, Iowa, Ordinances the Lot owner shall be assessed an amount equal to one-half of the amount that a Lot is assessed after a structure is capable of occupancy.
- (b) a Lot owner shall be assessed for each unit located on the Lot capable of separate ownership.

By way of illustration, assume one multi-tenant structure is constructed on Lot 3 and Lot 3 has been submitted to the condominium form of ownership with three condominium units. Under such circumstances, there shall be three assessments for Lot 3.

Further assume a duplex structure is constructed on Lot 4 with two units on Lot 4 and Lot 4 has not been subdivided into smaller lots capable of separate ownership nor has Lot 4 been submitted to the condominium form of ownership. Under such circumstances, there shall be one assessment for Lot 4.

Section 6. The first annual or periodic assessments shall be adjusted according to the number of months remaining in the assessment year. The Association shall upon demand at any time

furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a Lot have been paid. The Association may charge a reasonable fee to provide such certificate.

Section 7. If an assessment is not paid within thirty (30) days after its due date, the assessment shall bear interest from the date of delinquency at the higher legal contract rate applicable to a natural person, and the Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property, and interest, costs and reasonable attorney's fees of any such action shall be added to the amount of such assessment. No owner may waive or otherwise escape liability for the assessments by non-use of any portion of the common areas or abandonment of a Lot.

Section 8. The lien for an assessment shall be subordinate to the lien of any mortgage. Sale or transfer of a Lot shall not affect or release the assessment lien. However, the sale or transfer of a Lot which is subject to any mortgage, pursuant to a Decree of Foreclosure under such mortgage or any proceeding in lieu of foreclosure, shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer, but shall not relieve the person who is the owner at the time such assessment became due of personal liability.

ARTICLE VII. ARCHITECTURAL CONTROL

No building or fence, wall or other structure shall be commenced, erected, or maintained upon any Lot nor shall any exterior addition to or change or alteration be made nor shall any landscaping be performed until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by Developer, or by the Board of Directors of the Association if assigned such responsibilities. In the event Developer (or the Board, if assigned the responsibilities) fails to approve or disapprove such plans within fifteen (15) business days after submission, written approval will not be required and this Article will be deemed to have been satisfied.

ARTICLE VIII. EXTERIOR MAINTENANCE

If an owner fails to maintain a Lot and its improvements in a satisfactory manner, the Association shall have the right through its agents and employees to enter upon the Lot and to repair, paint, replace, maintain, restore, and care for the Lot and for exterior building surfaces, trees, shrubs, grass, walks and other exterior improvements. The cost of such exterior maintenance shall be added to and become a part of the assessments to which the Lot is subject.

ARTICLE IX. USE RESTRICTIONS

Use of the common areas shall be subject to the following:

- (a) No use shall be made which will in any manner violate the statutes, rules or regulations of any governmental authority having jurisdiction over the common areas.
- (b) No owner shall place any structure whatsoever upon the common areas nor shall any owner engage in any activity which would temporarily or permanent deny free access to any part of the common areas to any Member.
- (c) The use of the common areas shall be subject to such rules and regulations as may be adopted from time to time by the Board of Directors of the Association.

ARTICLE X. GENERAL PROVISIONS

Section 1. It is the obligation and duty of the Association to properly maintain and repair the common areas and all structures and improvements within the common areas, in accordance with reasonable standards as required by the County of Cerro Gordo County, Iowa. Nothing in this Declaration shall be construed as limiting the authority of the County of Cerro Gordo County, Iowa to enter the common areas to perform necessary maintenance should the Association fail to do so, and to assess the Lots with the costs thereof.

Section 2. The Association, or any owner, shall have the right to enforce, by any proceeding at law or in equity, all covenants, now or hereafter imposed pursuant to the provisions of this Declaration. Failure by the Association or by any owner

to enforce any of the covenants shall not be deemed a Waiver of the right to do so thereafter, nor shall it be construed as an act of acquiescence or approval on the Part of the Association or any owner.

Section 3. Invalidation of any portion of this Declaration by Court judgment or Order shall neither affect or invalidate the remaining provisions, and the same shall remain in full force and effect.

Section 4. Any firm, person, corporation or other entity which succeeds to the title to a Lot through foreclosure of a mortgage or other security instrument or through other legal proceedings, becomes a Member of the Association and succeeds to the rights, duties and liabilities of the previous owner.

Section 5. The covenants run with the land and bind the same, and inure to the benefit of and are enforceable by the Association, or the owner of any Lot for a term of twenty-one (21) years from the date this Declaration is recorded. Any person described in Iowa Code Section 614.24 may file a verified claim with the Cerro Gordo County Recorder within said 21 years extending for a further period of 21 years the time within which the restrictions shall be in full force and effect.

The covenants may be amended by an instrument signed by not less than two-thirds (2/3) of the Lot owners. Any instrument amending, modifying or cancelling this Declaration must be properly recorded before it is effective.

Section 6. In the event the Association or any owner fails or neglects to perform its rights, duties and obligations in accordance with the intents, purposes and provisions of this Declaration, Developer reserves the right to call such meetings, make such appointments and to take such further action as may be necessary, from time to time, to insure that the objects and purposes of this Declaration are being fulfilled.

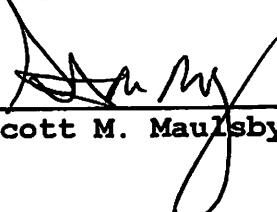

Section 7. The captions and headings in this instrument are for convenience and shall effect interpretation.

This instrument is executed by Developer on a separate counterpart signature page which also contains the notary acknowledgment.

(Parcel No. 052245102700)

G. Parcels A through F, inclusive, shall collectively be referred to as the "Parcels."

4. **Background and Definitions and Clarification.**

- A. Owners desire to establish a driveway easement across the west twenty feet of Parcel A for the benefit of Parcels B, C, D, E, and F.
- B. Owners desire to establish a driveway easement across the north thirty feet of Parcel C for the benefit of Parcels D, E, and F.

5. **Entrance and Driveway Easements Established.** There are easements created across, over, and upon the west twenty feet of Parcel A and the north thirty feet of Parcel C (collectively the "Driveway") upon the following terms and conditions:

- A. The easements are non-exclusive.
- B. The easements are for the benefit of Parcels A, B, C, D, E, and F.
- C. No person shall use the Driveway for any purpose which

restricts or inhibits the right or privilege of others to use the Driveway. No Party shall take any action which impairs the ability of a Party to have full access to such Party's Parcel or the improvements located upon such Party's Parcel.

- D. No Party shall allow a vehicle or other object to stand upon or be parked in such a fashion as to deny access.
- E. As regards maintenance, repairs, and replacements for the Driveway:
 - i. Owners are equally responsible for the costs of maintenance and repair, including those associated with inspection, dust control, snow removal and ice control, and maintenance.
 - ii. In the event, because of age, elements, and use, the driveway requires replacement, the cost of replacement shall be shared equally among Owners.
 - iii. See Paragraph G below for obligations of a Party causing damage.
- F. To the extent reasonably necessary, the owners of one Parcel shall have the right of entry upon the other Parcels in order to perform the duties referred to above.
- G. In the event damage is caused to the Driveway, then the Party causing such damage shall be responsible for all expenses required to repair the damage.
- H. After any entry onto a Parcel for the performance of any work, the Parcel shall be put back into the condition that existed prior to it.
- I. No fence or gate shall be installed which will impair or inhibit the use of the Driveway. Notwithstanding the foregoing, the Parties acknowledge that a temporary fence or gate may be necessary for a limited time during any period when maintenance, repairs, or replacements requires the same.

6. **Nature of Easements.**

- A. All easements are covenants running with the lands.
- B. The easements are permanent and perpetual.

7. **Dispute Resolution.**

- A. Owners of the Parcels shall not neglect the obligations to keep the Driveway in good repair and condition.
- B. If an owner reasonably determines a need for repair and maintenance, a meeting of Owners shall be called by the Party who determines there is a need. The purposes of the meeting are to verify the need for repair and to determine the method for effecting such repair, allocating costs and making arrangements for the payment of such costs.
- C. In the event Owners are unable to agree regarding required maintenance and repairs, then Owners shall participate in good faith in mediation prior to the filing of any action in the Iowa District Court. The fees of the mediator shall be shared equally among Owners.
- D. In the event a Party fails to comply with any agreement resulting from mediation, any owner shall be entitled to commence an action to enforce the terms of the agreement and the costs of such enforcement, including reasonable attorney's fees, shall be awarded to the prevailing Party.

8. **Obligations to Deal Fairly.** There is imposed upon the owners of the Parcels obligations to deal fairly and in good faith with one another.

In the event of any litigation among the Parties regarding this Agreement and their duties, the prevailing Party shall be entitled to attorney's fees and court costs.

9. **Binding Effect.** This Agreement is binding upon and inures to the benefit of successors and assigns.

10. **Captions.** Captions are for convenience and shall not affect interpretation.

11. **Governing Law.** This Agreement shall be governed by the laws of Iowa.

12. **Waiver.** A waiver of any breach shall not be considered to be a waiver of any other or subsequent breach.

13. **Prior Agreements Affected.** This Agreement supplements all

prior Agreements, written and oral, between the Parties and their predecessors, including but not limited to the Easement Agreement filed July 2, 1997 in Book 97, Page 4847, easements established by Contract recorded September 21, 1972 in Book 1991, Page 755, Deed recorded April 29, 1977 in Book 212, Page 399, Deed recorded August 31, 1997 in Book 215, Page 334, and Deed recorded June 24, 1987 in Book 87, Page 4673.

This Agreement does not impact the rights or privileges or burdens of owners of other properties who are not Parties to this Agreement.

14. **Consent of Lender.** Clear Lake Bank & Trust Company consents to the execution of this Agreement by Hanson.

15. **Execution.** This Agreement is executed upon separate signature pages.

WELL AND WATER SYSTEM AGREEMENT REGARDING EVERGREEN COVE, CERRO GORDO COUNTY, IOWA

1. **PARTIES IDENTIFIED.** This Agreement is executed by Maulsby Marine Properties LLC, an Iowa limited liability company ("Maulsby").
2. **PROPERTIES IDENTIFIED.** This Agreement regards the three parcels of real estate legally described as:
 - A. **LOT ONE (1) IN EVERGREEN COVE, CERRO GORDO COUNTY, IOWA ("Lot 1"); and**
 - B. **LOT TWO (2) IN EVERGREEN COVE, CERRO GORDO COUNTY, IOWA ("Lot 2"); and**
 - C. **LOT THREE (3) IN EVERGREEN COVE, CERRO GORDO COUNTY, IOWA ("Lot 3").**

Maulsby is the owner of Lot 1, Lot 2 and Lot 3.

3. **RELATIONSHIP OF PARCELS.** Attached as Exhibit "A" is a copy of the Final Plat of Evergreen Cove, Cerro Gordo County, Iowa which depicts the properties. Each Lot is identified by its corresponding Lot number.

4. **EXISTENCE OF WELL AND WATER DISTRIBUTION SYSTEM.** There is located upon the Lots a well with water distribution lines to serve each Lot.

8. **SHARED RESPONSIBILITIES FOR COSTS FOR THE UNDERGROUND WELL LINE.** All costs of maintenance, repair and replacement of the well line running from the well to the pump house shall be shared equally by all parties served by the well. This agreement shall not preclude a Lot from withdrawing (disconnecting) from this Agreement nor shall it preclude Lots from being combined as provided below.

9. **RESPONSIBILITY FOR WELL, PUMP AND CASING.** The owners of all Lots being served by the well are equally responsible for the repair, maintenance and replacement of the well, pump and casing.

10. **DUTIES UPON ENTERING A LOT.** Any entry onto a Lot for any work regarding the well, pump, casing, well line or the underground water distribution line(s) shall be done at such a time and in such a manor to cause the least amount of damage and interference possible. After work is performed, the property shall be put back into the condition that existed before the work was performed.

11. **EACH LOT RESPONSIBLE FOR COSTS OF UNDERGROUND WATER DISTRIBUTION LINE.** The owner of each Lot is solely responsible for all costs of connecting to the pump, and for all costs of construction, maintenance, repair and replacement of the water distribution lines which serves that Lot. Further, the owner of each Lot shall be responsible for assuring that (a) connecting to the pump or (b) disconnecting from the pump or (c) using water from the well will not result in contamination of the water or diminution of services provided to the other Lots.

12. **EACH PARCEL RESPONSIBLE FOR PRESSURE TANK.** The owner of each Lot shall be responsible for the installation, construction, maintenance and repair of a pressure tank for such Lot. The owner of each Lot served by the well shall keep the pressure tank in good operating condition. There is hereby created in favor of all Lots served by the well the right to inspect the pressure tank and related parts of this system on each Lot on a periodic basis for the purpose of determining operating condition.

13. **LIMITATION ON DUTIES.** No Party to this Agreement makes any representation or warranty regarding the quantity, quality, potability, or safety of the water. Further, no Party has any responsibility to supply water other than what can be provided from the well. In the event of electrical outage or mechanical or other breakdown of the well, pump, or casing, no Party shall have responsibility other than to attempt repairs. In the event the well no longer furnishes an adequate supply of water or potable water, then

there is no obligation on the part of the owner of any Lot to construct a new well and this Agreement shall terminate.

14. **NO POWER TO SELL WATER RIGHTS.** No owner of any Lot shall have the right, power or authority to sell water rights or to permit any other owner or person to use the water supply from the well without first obtaining the written consent of the owners of those Lots then being served by the well.

15. **RENTAL.** Each Lot served by the well shall pay the owner of the Lot on which the well is located \$400.00 per year for electricity for the pump, with such payments due in advance of the 1st day of January each year and continuing thereafter until this Agreement is terminated. The charge of \$400.00 per year for a Lot shall be prorated to the date a water distribution line connects that Lot to the pump. The charge of \$400.00 per year shall not be reduced or abated unless the well serving the Lots has failed to provide water for a continuous period of 30 days.

16. **RENT ADJUSTMENTS.** It is recognized that electricity rates may increase and there may be a need to increase the annual rent. Through December 31, 2023, the annual rent for electricity shall not increase above \$400.00. After December 31, 2023, the annual rent may be increase by agreement among the owners of all Lots then being served by the well. If the owners are not able to agree on the amount of the increase, then the rights, duties and privileges provided elsewhere in this Agreement shall apply.

17. **RIGHT TO COMBINE PARCELS.** If two or more Lots or portions of Lots are combined, then the fraction used to compute the obligations of the owners of the Lots under this Agreement for purposes of maintenance and repair shall be adjusted accordingly. By way of illustration, there are presently three Lots and it is contemplated that all three Lots will be served by the well. If only two Lots are served by the well, then the obligation for maintenance and repair of the pump would be one-half for each Lot. By way of further illustration, if all three Lots are served by the well, with Lot 3 being divided in half and there is located on each half one residence, then the fraction would be one-fourth rather than one-third.

18. **RIGHT TO DISCONNECT.** If the owner of a Lot desires to disconnect from the water distribution system, then the owner of such Lot may exercise that privilege but is still obligated to pay the annual rent for electricity prorated to the date the disconnection occurs. After disconnection, the owner of the Lot no longer served by the water distribution system shall no longer be responsible for

maintenance and repairs of the well or water distribution line. However, the right and privilege of the owners of all Lots for access to repair, maintain and replace the water distribution line may not be terminated and that easement for those purposes is permanent and perpetual. If the owner of a Lot provided notice of intent to disconnect or that a disconnection has occurred, the owner of each other Lot then being served or in the future being served by the water distribution system shall have the right to inspect the parcel to verify that the disconnection has occurred and that no reconnection has occurred.

19. **OPPORTUNITY TO ARRANGE FOR DIFFERENT METHOD TO PROVIDE ELECTRICITY.** In the event the owners are unable to agree on the amount of any increase to the rental for electricity or in the event the owner of Lot 1 desires that the electric meter serving the existing pole barn on Lot 1 no longer be used for purposes of the pump, then among other alternatives, the parties can:

- (a) provide for the installation of a separate electric meter serving only the well and water distribution system and arrange for the payment of the cost of the electricity to be shared according to the water usage. The cost of installation of an maintenance of the separate electric meter for the well and water system would be shared equally among the owners of the Lots then being served. The owner of one Lot may serve as nominee for purposes of the electric meter for the well and water system, but the owner of each Lot then being served shall have the obligation and responsibilities stated in this Agreement for payment of the pro rata share of such owner for the electricity costs. In the event a separate electric meter is installed, then the owner of each Lot then being served by the well shall be responsible for installing, maintaining and repairing a separate water meter required for each Lot then being served. The owners of all Lots then being served shall have the right of access to all other Lots to verify water usage.
- (b) Agree that another Lot owner shall allow the electricity costs to be charged to such owner and in that event, rent for the other Lots shall be paid to that owner.

20. **EXERCISE OF PRIVILEGE TO CONNECT.** The owner of a Lot shall be permitted to initially connect to the pump at no cost other than

the cost for installing a separate water distribution line to serve that Lot.

21. DEFAULT, LIEN, AND REMEDIES. In the event the owner of a Lot remains in default:

- (a) In making a payment for rent, or
- (b) For that owner's share of common expenses, or
- (c) In performing any other obligation under this Agreement, for more than ten (10) days after written notice of such default, then:
 - (i) The owners of the other Lots, collectively, or the owner of any affected Lot, may file an affidavit with the Recorder of Cerro Gordo County specifying the nature of the default. Upon the filing of such affidavit, any amount stated in the affidavit shall constitute a lien against the affected Lot. Such lien shall be enforceable as provided by law; or
 - (ii) If the default continues for more than 20 days after the notice, then the owners of the other Lots, collectively, or the owner of any affected Lot, may take action to disconnect the lateral extension to the Lot owned by the defaulting owner, and the costs of such disconnection shall be the expense of the defaulting owner. Such costs may be set forth in an affidavit to be filed with the County Recorder and any amount stated shall constitute a lien against the affected Lot. Such lien shall be enforceable as provided by law; or
 - (iii) The owners of the other Lots, collectively, or the owner of any affected Lot, may sue for injunctive relief; or
 - (iv) The owners of the other Lots, collectively, or the owner of any affected Lot, may sue for damages; or
 - (v) The owners of the other Lots, collectively, or the owner of any affected Lot, may sue for specific performance; or

- (vi) The owners of the other Lots, collectively, or the owner of any affected Lot, may exercise such other remedy or remedies as may be available under the law.

The remedies shall not be construed as mutually exclusive but may be exercised in any combination.

22. **NOTICE**. Any notice required or permitted to be given under this Agreement will be sufficient if in writing and personally delivered, or sent by certified mail, return receipt requested, postage prepaid, to the last known mailing address of the owners of the Lots. Refusal or failure to accept of "receipt" for mail shall constitute notice.

23. **WAIVER**. No waiver of any breach of this Agreement shall be considered to be a waiver of any other or subsequent breach.

24. **BINDING EFFECT**. This Agreement is binding upon the present and future owners of each of the five Lots and their successors and assigns. The easements granted are permanent and perpetual and are covenants running with the land.

25. **CAPTIONS**. All headings and captions in this Agreement are for convenience and shall not affect the interpretation of this Agreement.

RE: Evergreen Cove
4749C South Shore Drive; Clear Lake (Unincorporated Cerro Gordo Co.)
Storm Water Runoff Associated with Development

Dear Mr Robbins:

At the request of the Developer, WHKS & Co. performed an analysis of proposed site improvements to the property known as Evergreen, located at 4749C South Shore Drive on the south side of Clear Lake.

As part of the analysis, a field investigation was performed of the subject property and immediate surrounding properties. The field investigation determined the limits of the overall watershed and the how the drainage within the watershed is affected by existing culverts and field tile. We found three sub-tributary areas; which includes the west area consisting of 17.6 acres, the central area of 4.1 acres, and the east area of 21.7 acres.

The primary focus of this analysis was the subject property, which consists of 1.9 acres and is located in the west area and is drained by an existing field tile. The analysis included performing drainage calculations to determine how much additional runoff would result from the proposed improvements. The following tabulation summarizes the runoff calculations for the subject property for pre and post development conditions given a 2-year event of 4.04-inches, a 10-year event of 5.98-inches, and a 100-year event of 9.45-inches.

	Q 2-Year (cfs)	Q 10-Year (cfs)	Q 100-Year (cfs)
Pre-Development Conditions	1.7	4.1	10.6
Post-Development Conditions	1.4	2.3	3.7
Net Change	-0.3 (18%)	-1.8 (44%)	-6.9 (65%)

The post-development runoff from the site has been significantly reduced from the existing condition across all rainfall events. Please see the attached calculations for additional information.

If you should have any questions, please feel free to contact me at (641) 201-7906.

Sincerely,

WHKS & CO.

PUBLIC HEALTH

DATE: February 6, 2023

TO: John Robbins, Cerro Gordo County Planning and Zoning

FROM: Daniel Ries, Cerro Gordo County Department of Public Health

SUBJECT: Proposed Evergreen Cove Subdivision

The proposed **Evergreen Cove Subdivision is in Section 22 of Clear Lake Township at 4749 C, South Shore Dr, Clear Lake.** The main concern from the standpoint of the Environmental Health & Preparedness Division of the Department of Public Health is the proper disposal of wastewater and ground and surface water protection.

Based on our records a well was drilled in 2013 to a depth of 320 feet with 208 feet of casing at 4749 B; however, it is close to the proposed subdivision and an in-person site visit would help to determine if the well location is at 4749 B or 4749 C. If a well(s) are needed for the proposed subdivision Cerro Gordo County requirements to case and grout the well through the Lime Creek formation and into the Cedar Valley aquifer would apply. Private well permits are issued through the Cerro Gordo County Department of Public Health. Also, if there will be a shared well amongst the three lots in the proposed subdivision, a written well-sharing agreement should be put in place.

Additionally, there is a LUST (leaking underground storage tank) site roughly 980 feet from the north property line of the proposed subdivision. If a well is drilled within 1,000 feet of LUST site, it is required to go through Iowa DNR review. Due to the density of the neighborhood several other private wells are in the neighborhood. Any new wells will need to be 100 feet from non-conforming private wells and 10 feet from conforming private wells. Furthermore, based on our records there may be an abandoned well on the proposed subdivision property; if this is the case it is required to be plugged.

Clear Lake Sanitary District will serve this property for wastewater disposal and treatment.

Please contact me at (641) 421-9338 or dries@cghealth.com if you have any questions.
